## **Career:**

Jorge Sanz stands out for being a good game director with excellent ball handling with both hands. Despite his youth, he is a player with a lot of experience internationally, and has also stood out for being a great defender and mid-range shooter.

Sanz joined the junior ranks of Real Madrid Baloncesto on January 9, 2007, eventually progressing through the Cadete B and A teams, and the Junior team playing in the Liga EBA from 2009 to 2011. In 2011 he was selected to play at the FIBA All Star Game U18.

He made his Real Madrid senior team debut on April 16, 2011, for a Liga ACB match versus CAI Zaragoza. He has played during several seasons at ACB (top league in Spain) for 3 teams (Real Madrid, Obradoiro and Baloncesto Fuenlabrada).

He's also played at a very competitive level at LEB ORO (second division in Spain after ACB) during the last 6 seasons, being in the starting 5 and playing around 25 minutes per game in each season.

Sanz has been international Under-16, Under-18 and Under-20 with Spain, obtaining 4 medals in different European championships.
